

WHAT'S INCLUDED

Our immersive jury experiences are high-stakes, engaging, and highly interactive. Whether you are a small team or a large corporate group, here is what you can expect:

An award-winning live experience: A 90-minute live-action trial with a difference, where your group acts as the jury. You will review evidence, conduct live witness interviews, and deliberate to reach a verdict.

Professional actors: Each session is led by our talented cast, including coordinators from the 'Ministry of Justice', and live 'defendants' to be questioned. These actors all interact with your group in real-time to ensure a reactive and unique experience.

Flexible scale: We accommodate groups of all sizes, and have delivered Jury Games experiences to groups with more than 200 participants.

To maintain the highest quality and ensure everyone is fully engaged, we typically split groups larger than 16–20 into separate 'jury deliberation rooms'.

These groups run the same case simultaneously, allowing for a fantastic debrief afterward where teams can compare their different notes and verdicts.

We are happy to discuss any bespoke manner in which you would like to divide up your participants - or not divide them up at all.

Price: £69 per person (minimum price £550)

Bookings outside of the M25 may incur an additional travel fee.

CANCELLATION & REBOOKING

We aim to be as flexible as possible while managing our staffing commitments. Our cancellation policy is as follows:

- More than 7 days' notice: You are entitled to a full refund or a free move to a different date (subject to availability).
- Less than 7 days' notice: We are unable to offer a refund. However, we can move your booking to a new date for a rebooking fee of £125.
- Less than 72 hours' notice: While we will still attempt to rearrange your session, please note that short-notice changes may incur a higher fee to cover committed staffing costs.

Punctuality: Please ensure your group is ready to begin on time. Because our shows are live and often involve multiple rooms, we cannot guarantee a delayed start will not negatively impact your experience, and may mean your booking cannot go ahead. If you anticipate a delay, please notify us at least 24 hours in advance.

"Was I utterly absorbed? **Guilty.**"

THE NEW YORK TIMES

"Such an exciting and different way to connect and problem solve as a team!"
